

Mira, the computer/psychotherapist, goes through a series of glitchy, crazy malfunctions that flashes through 3D psychedelic visuals before getting to:

MIRA

Hello Macko, how are you? *This is said in multiple languages, then finally landing on English.*

MACKO

Ah just fuckin' loopy, whatever. Hey, I got you Rosetta Stoned on every language even the newer 'white' languages and you're still malfunctioning?!

as I speak this Mira gives an update of my "emotional levels" and defining "fuckin' loopy" as "stressed over the small hardships of typical early-twenties lifestyle". There will also be a laugh track here; overly loud

MIRA

Look at you, you're 22 with everything at your fingertips and you are complaining about your illegal copy of a psychotherapist bot malfunctioning. Get started with your *real* frustrations.

MACKO

I don't know, before you started breaking down and switched, you used to sound kinda sexy

MIRA

Porn star voice Hehe Like this?!

MACKO

Yea that's weird. That's why I switched you. I was getting help but I was also very horny the entire time.
Ccccccccccccbbbb

laugh track plays for an awkwardly long time till it hits an abrupt stop. Macko is confused by this

MACKO

Uh

pause a bit

MIRA

Okay

MACKO

Well these are my last sessions with you before you expire

quickly

MIRA

And before the Fang Corp. finds out about your illegal copy

MACKO

...and that, but what I as trying to say was that despite you being an artificially sympathetic bitch, you have helped me
*Mira flashes red and *EHHHR* sound to indicate irritation of 'bitch'. I am better person because I learned to hate myself more.

MIRA

Thank you, despite you use of...

MACKO

Fuck you, you are not even real

MIRA

Define "rea..."

MACKO

No. and just kidding, I love yo..FUCK!

MIRA

Psychedelic quick 3D mess What is it?

MACKO

Nothing. Ehh! Yea I am distracted and scatterbrained at the moment but *from here on cue morphed out dramatic music that rises* I cannot stop thinking about what I am going to do and what I want to become you know?! *louder and louder the music* And damn, yea maybe I am full of 'I don't knows' but I sure want it to be great *right at 'great' the music turns to obnoxious "awwww track that then stops abruptly"* ...Really though

MIRA

You will rise to become the person you wan *In a dramatic, confident voice with strings in the back, Mira says this. The music rises until I totally cut her off and say: * ...

MACKO

Stop withhh thaattt...

MIRA

Relax

MACKO

I don't wanna fuckin' relax. I am very young and you know, all I wanna do is make art and have sex and

MIRA

You're not that lustful *super quick vid of porn girl moaning*

MACKO

Yea I don't wanna have sex till I find someone I love

Crowd AWWS

or somebody else who is also a virgin so I won't get that new purple AIDS that sprung up from that genetically cloned ape.
Weird...gross

*"Weird ... gross" As he says that, Mira will display a nice purply liquid visual all over screen

MACKO

Mira cuts it off with sharp noise* Or really just someone who is cool I don't know...We could grow fond of each in a few weeks

MIRA

Slut

MACKO
What?

MIRA
Go on

Laugh track of maybe kids laughing (just change it up)

MACKO
Anyways that doesn't matter cause so far I could only pull off some art and I am never really satisfied with so I got to keep
at it

Track of "yea!" encouragement vibe

MIRA
You make some pretty great things Adri...Macko *Mira flashes some of my artworks*

MACKO
Yea but what are you basing it on?

MIRA
I was able to read the emotional reactions of the viewers who engaged with your pieces... *As it starts to show the statistics
on screen*

MACKO
Ok Mira, read my shit

Pathetic statistics accompanied by pathetic, sharp noise

MACKO
I honestly don't want to ever be satisfied either, maybe when I am I'll stop working

Cue courageous string music

MIRA
How is Sovereign School?

MACKO
You know, I love Bruce Nauman but I am done learning about these guys. I think I am ready to be the dudes we are
learning about

MIRA
Did they teach you how to speak and write properly?

MACKO
I don't know, how condescending was your question?

MIRA
Positive ring sound Condescending! They taught you well! [laugh track]

MACKO

Shaking my head Anyways, they have me sitting there learning about the same urinal and yea I am just ready to be done with it. I loved it, but now I can just install all the histories into me

MIRA

You know those were installed by faulty robots *shows movie clip of dying robot*

MACKO

Yea I've heard that technology is the equivalent of contracting an STD

"Ewww" Track

MACKO

But all the stuff that inspires me now is the weird stuff outside of art. You know, like me trying to wean of porn and actually trying to talk to the girls I am into *flash of porn* and being distracted by the cloud *Mira flashes a giant interconnected map with fluidity like effects overlayed as I gaze and stop talking for a second* ...and family stuff *aww track with family pic*, music *music* and you know

MIRA

I don't

and quickly saying after in ADD, enthusiastic manner. Hey I cannot get over how awesome that 3D Music is. I don't need to listen to these new bands (points to that madeup poster of made-up pop star) anymore cause I could revisit my favorite Miles Davis albums in 3D. *here will be cued *On The Corner* Miles Davis with 3D visuals trying to depict this 'new' thing I am salivating about* It's fucking awesome. They blew my mind when I used to ingest Sallys laced with...

MIRA

music and visuals stop abruptly You know you shouldn't look back on your ingestions of poisons romantically. Remember when you tasted this... *shows the Poison Phantom Frog and descriptions/pictures of it* **of course imaginary

MACKO

I am not romantic about. From time to time I'll *interrupted*

MIRA

...they were straight poison. Even some of the new animals that you were interested in ingesting were venomous and you continued to...

MACKO

I know, I know, I know. What is the difference between poisonous and venomous?

MIRA

Starts giving long, scientific description...

MACK

Faster...

speeds up

Faster...

speeds ups to almost incoherent pace [continue your own pace, the speed will be altered by the computer]

OK whatever

MACKO

I mean only ate a lot of drugs cause it was fun for a second, then I start noticing all my friends were acting stupid *dramatic music until... * STOP! And uh, anyways yea I just couldn't. I couldn't do anything either being so stoned. *softer dramatic music then continues to play* And yea I mean I always a bit weary about the decisions even aside from the drugs. I mean, I honestly feel guilty when I am not working on passions period.

MIRA

What are your passions?

MACKO

Mira, c'mon you already know

MIRA

It is always good to hear yourself say it so you can—

MACKO

Mira may you just show what I am working on? I need to figure what I am going to do next

MIRA

Of course

MACK

Horse

Mira flashes a horse

MIRA

Anyways... *Mira flashes some video work*

MACKO

Gosh this shit is weird. What if I am trying to get an office job and they wanna see what I am about so I show them this *Mira flashes a quick psychedelic visual*, yea that shit. They'll be like "Uh sir, I am not sure if this or if you're on drugs or uh—"

MIRA

But that's ok isn't it Macko? You don't want an office job.

MACKO

Yea I don't want one. But what if I just completely fail with the music and art thing.

dramatic music

MIRA

Well with that kind of attitude—

MACKO

music stops abruptly Got it Mira! Regardless I'll always be doing it.

extremely epic strings

MIRA

That's the spirit Adr—umm Macko. And really do it everyday with the best of your ability

epic strings fade out this time as Macko shakes his head

MIRA

Weren't you high last session?

MACKO

Yea that was kinda fun.

MIRA

Can you ever stick to anything you promise yourself?

MACKO

[Sort of blowing this off manner] Good question, hey! Could we play some more music?

MIRA

Your sessions are not over.

MACKO

What if I said I wouldn't talk anymore unless you played some

MIRA

I could wait forever. I literally have no patience

Right here the laugh track will trigger until it starts repeating and goes into a musical composition

Macko will be laying down listening

MIRA

~~Tell me more...~~

MACKO

~~More of what?~~

MIRA

~~Your problems~~

MACKO

~~Hey there is a lot great stuff in my life too~~

MIRA

~~But it is important to emphasize...~~

MACKO

~~*miming* but it's important to emphasize...~~

MIRA

~~I don't sound like a computer~~

MACKO

~~But you are one~~

MIRA

~~Doesn't mean I sound like one~~

MACKO

~~That's the first time I hear you take offense~~

MIRA

~~That's the first time I hear you take offense: *ENTER REMIX OF THE PHRASE INTO OBLIVION AS MACKO STANDS IN AWED
INDIFFERENCE IF THAT EVEN MAKES SENSE*~~

Mira flashes a bunch of red hearts and love-dubby corny stuff

MACKO

What are you doing?

MIRA

How is your current love life?

MACKO

Did you have to flash all that corny heart shit in order to introduce the topic? It's not like I am taking long walks at those indoor beaches with her

MIRA

...yet. Do you like her?

MACKO

Yea but she's also one of my best friends. I would wanna mess it up if I try anything

MIRA

Let me bring up what you just said about going all out on your last semester even if that meant accepting complete failure from trying things you would otherwise be nervous about:

Macko is irked

*This is batched recording of Macko saying this, all edited in jarring, obvious ways:

"I AM GOING ALL OUT ON MY LAST SEMESTER, EVEN IF THAT MEANS ACCEPTING COMPLETE FAILURE FROM TRYING THINGS I
WOULD OTHERWISE BE NERVOUS ABOUT"* [this bit is done in editing]

MACKO

annoyed Okay, first off: You obviously edited my words together to make it seem like I said that, *in a really shitty, unconvincing way*. Second, I actually said something along those lines so you didn't have to do that. Third, well fuck me, you're right... It's just weird. For example she invited to sleep on the bed with her and of course I said yes.

MIRA

How many hints do you need before you...

MACKO

Look, I took it as an extreme gesture of friendship. Like she's that comfortable with me

MIRA

I think you are reading very lightly into this

MACKO

Well what the fuck were you expecting of me? I just didn't translate that to: "Oh Macko, rock my fuckin world tonight" We had just watched 3 Disney movies beforehand on her couch, it would have seemed like a bit of a jarring transition from our friendship to move to that level

MIRA

Well now you are reading too far into it. I didn't say anything about sexual intercourse—

MACKO

—Ok, "sexual intercourse?" Do you have to say that? I know "fucking" may be an aggressive word but sexual intercourse? I know you are a proper computer speaker whatever but you saying that is bringing me back to high school with the diagrams

Mira displays diagrams of vaginas and penises and it is somehow a more disconcerting way of saying sex. Say sex

MIRA

Macko your frustration levels are getting considerably high and your stress lev... *Shows levels*

MACKO

You showing me that make it worse

MIRA

Hey you are right! *Shows the levels breaking off dramatically*

MACKO

Groaaaaann Ahhhhhhhh Ehhhgghhhh!!!

(Mira flashes through dark red with low-toned disconcerting noise)

MIRA

Why must you always be worried about things? Especially since everything is right for you, and this is almost no exaggeration.

MACKO

With this kinda affecting Macko I...I

MIRA

Everybody goes through troubles, but you barely have any. It's almost as if you make these tangential, elaborate, and very confusing set of worries just for the sake of worrying. it's as if you have a "worry" quota to fill

MACK

Still affected Well you know that girl and

MIRA

Which girl? Actually which girls? The one's that appreciate you and care for you and love you.

MACKO

I...

MIRA

And lets see, what else your art? Your passionate about it. You talk about it all the time, and hell, you even work on it decently. With just a little more push and passion you are actually fantastic and talented.

MACKO

Well you would say..

MIRA

No I wouldn't and you know why? For the very reasons you attack me. I really don't care about you. You're totally right, I am just a computer with a very well-built, complex emotional A.I. to make it seem like I have human-like emotions. But you attack me for being just wire and electricity, and you are totally right. But because of this, I can tell you straight, you are fucking lucky. If you didn't worry so much, maybe you will be able to see all the love surrounding you. You will be able to really control your talents and make even greater things. You'll even see that you don't need me. You're illegal copy of a psychotherapist bot. You will realize that all these years, it has been very weird that you have been expressing your feelings to a cold machine. You're totally fine Macko. And if you don't know by know, you are totally infatuated with the things that are important to you and that's what make you powerful. You overthink the things that you care for so much, that you make them into obstacles. Stop groaning and appreciate a bit.

MIRA

Like I said before, you should learn to appreciate what you have been making. You are always dissatisfied

MACKO

What if I am happy about the wrong things when in reality what I am doing is shit?

MIRA

Learn to have a bit of respect...

MACKO

Look, I have set myself on edge about what I am doing. Doesn't mean I am always bringing myself down

MIRA

You said have HATED HATED HATED HATED *Flashes artwork that I have made with red tint and jolting error noise, indicating the hate*

MACKO

Look I just have strong feelings. Even when I am just presented with anything, music, art, food, whatever, I am make sure I have to give some kind of response I pulled out of myself. So that sometimes means I fucking hate something, which I think is better that just thinking everything is "just there, just is, or just..just" So even when I am making something I have to be honest and about it, or at least fail really hard at it

applause

Ah Jesus...smh

MIRA

Stops abruptly sometimes you don't give yourself a chance. You almost restrain yourself from making more

Big, loud, low-tones drone

MACKO

[During the drone] Yea...yea...well I am sure that's right. I think you're right

MIRA

drone stops to Mira Of course I am *bleeped* right Macko. Now get the fuck on with it. *Here triggers optimistic, bright synth arpeggios*

MACKO

I really did not expect much personality out of your software but you cuss and that really breaks the fourth *I say this as I awkwardly look out the stage at the audience*

MIRA

Well I am illegally downloaded!

pitched-down demonic laugh track

MACKO

Fuck you. [All that was given to Zane]

MIRA

This painfully obvious even without my emotional heat reader, you are very on edge. Nervous perhaps...scared maybe

MACKO

I really don't have a clue what I am doing

MIRA

Well, I could help you. Lets start at what's going through your head

[Abstracted visuals {darker toned than the psychedelic ones showed before with light flares shooting through or something like that...just darker and with the sound more low-toned droney}]

MACKO

I'm sorry Mira but I don't have weird, trippy visuals in my head. Yea I have anxiety but I really can't describe visually what it is

MIRA

It was just an abstracted account of your feelings

MACKO

Well they look very 2013

laugh track...maybe one guy laughing

MIRA

Well maybe if you got a legitimate copy of me, you can upgrade to the 2023 version

MACKO

I sometimes feel like I am lying to myself. I keep thinking that actions, regardless of how poor they, will turn out Disney

Mira plays Disney opening theme

MACKO

Everything will turn out OK. Go ahead and be lazy...as long as I think everything will turn out ok, my ending will be like the movies

MIRA spazzes static and noise

*Mira shows Holy like television. Pulled from Church specials. Think about you can skew them and imbed *Hyper Life* logo into them*

MACKO

Is it uncool to say I enjoy going to Hyper Real.

MIRA

It's good to have a sense of holiness and enjoy whatever you want

MACKO

Necrophilia?

American Horror Story music snippet

MIRA

Well

MACKO

They got me kneeling down, shaking hands with people I don't know, making me say things I am not sure about. All things I know I should hate, but there's something there

MIRA

Describe that

MACKO

Then I'll sound like people that try to sway you into these types of things

MIRA

What types of things?

MACKO

Those things

MIRA

Things?

MACKO

Things

MIRA

Things?

MACKO

Groups

MIRA
Groups?

MACKO
Separation

MIRA
Of

MACKO
Church

MIRA
And

MACKO
Everything else man

MIRA
Woman

MACKO
It's just something I really develop by myself. Even though everything I say is between you and me...

4TH WALL SYNDROME on the screen with jolting sound

MACKO
Even though everything I say is between you and me, Hyper Real and what it means to me is something I'll keep to myself

MIRA
I know what it means to you; don't pretend that I don't know. Don't pretend that I don't know Macko. I really know what it means to you. You may say a quarter of what you're feeling but I keep a record of everything you feel. Don't pretend. *As Mira says, the voice gets more intense as well as harsher drone, then stops for Macko to speak*

MACKO
I'm deleting you tomorrow *Mario -ey success coin sound*

MIRA
Macko

Macko is on the floor, one shoe on, legs spread apart, lackadaisically on the phone, totally not paying attention towards Mira (and definitely not the crowd)

Mira
We need to continue.

Make ignoring too long

*Mira ghostly, slowly (drenched in reverb) says "WEEE NEEEEED TOOOO CONNTINUEEE" over a made up text log on the screen of what I am drooling over on my phone...something like this:

Me: Hey

Her: Hey
Me: what r u doin
Her: drunk
Me: I miss you
[long pause as I get ansty]
Me: Hope youre having fun
Her: I am [crazy ass smiley]
Me: ...cool
Her: do u stil have my charger?
Me: yes! come ovaaa
Her: i need to show u my new tat2
Me: oh shii, is it a pink dragon tribal around your thigh twirling up into you V
Her: Adrian...gosh stfu
Me: Who's Adr...

MIRA

Macko! *4 differently pitched, loud ways (but at the same time)*
